

Foster Care (FC)

Children need a safe place to call home. CHR helps families provide foster children real hope for a loving environment.

At any given time there are thousands of children living in foster care throughout Connecticut, many having been removed from their homes because of neglect, abuse or abandonment. CHR's Foster Care programs provides support to families fostering children with emotional or behavioral problems, helping to build safe and loving homes. CHR helps families develop specialized plans detailing short- and long-term goals for the foster child's emotional, physical, developmental and educational needs.

THE REWARDS ARE GREATER THAN YOU CAN IMAGINE

Our foster families have heartwarming experiences changing children's lives for the better. From stories about a boy with no basic social interaction skills becoming a cherished son, to a girl with no desire to attend class later graduating from college. As a foster parent, you will enjoy special moments like teaching a child how to ride a bike or gaining a child's trust.

A SAFE HAVEN, LOVING HOME AND HOPE—WHAT EVERY CHILD DESERVES

This program was created with children ages 2 – 17 in mind, with exceptions made for adolescents up to age 19 on a case-by-case basis. Eligible children are also active with DCF and currently in foster or pre/post-adoptive living situations. Placements referred may be at risk of disruption or may simply be in need of additional support. In-home and related services are provided for three months, with extensions available.

CREATING A CARING ENVIRONMENT MEANS:

- Having the patience and capacity to love and care for a child
- Working as part of a team, recognizing and meeting the child's emotional, physical, development and educational needs
- Allocating a room and space for a child in your home
- Retaining adequate income to support your family
- Maintaining good physical and emotional health

"When we first opened our home to a foster child we believed we would be the ones giving our love, support and care to the child, without expecting much in return. In reality, we have received so much more than we ever could have dreamed!"

~Danny and Lucianna Hatt, CHR Foster
