Help us to Implement our New Initiative: CT First

REAL LIFE. REAL HOPE.

**If You Are a Person Who Uses Our Services or a Family Member
of Someone Who Uses Our Services - We Want to Hear From You!**

CHR was recently awarded a \$2 million grant for two years from the U.S. Substance Abuse and Mental Health Services Administration (SAMHSA) to enhance and expand a variety of services for people of all ages. As part of that grant CHR will become a federally designated Certified Community Behavioral Health Clinic. This new initiative is called CT First. We invite you to join our advisory group and help us to design our services to ensure that our programs are meeting the needs of those we serve.
