

Dear Friend,

It's hard to believe how much the world has changed over the last few weeks and I sincerely hope that you and your family are safe and healthy.

As you may imagine, we are deeply worried about the impact of the coronavirus crisis on thousands of our clients at CHR, particularly those who are already vulnerable because of illness, addictions, and for many now, loss of income. In times of crisis, the burden is always heavier on the working poor and families who are trying to rebuild their lives.

**As one of CHR's closest supporters, I'm writing to ask you to please consider making an urgent gift of any size to help us meet the needs of children, families and adults in our state.**

Basic needs like food, shelter and clothing are a bedrock to good health and lasting recovery. We want to do everything we can to help our clients continue to thrive and reach their potential.

During the coronavirus crisis, **please know that CHR continues to provide 24/7 care** through our residential programs, crisis teams, and assessment center. In addition, we are now providing telehealth and telephonic care for individuals, as appropriate, and are here for you and your family if you need us. Appointments can be made by calling **1-877-884-3571**.

Thank you for considering this urgent request. I know this is a difficult time for everyone and I deeply appreciate any support you can provide. Gifts can be made by using the enclosed envelope or by visiting [www.chrhealth.org](http://www.chrhealth.org).

Warm Regards,

Heather M. Gates  
President/CEO

***P.S. – Your gift today will help children, families and adults who are trying to stay healthy and make ends meet during the coronavirus crisis. Thank you so much for your friendship and support!***

*With ongoing gratitude to our Be a Hero donors: Phil Tartsinis, Mutual of America, Howard & Ann Orr and CHR's Executive Management Team*
