

# Families Need Your Help This Year!

The holiday season is just around the corner and so is CHR's annual Adopt-a-Family program which will bring joy to families in need.

Adopt-a-Family matches generous people like you with families served by CHR who would not otherwise have holiday gifts to share with loved-ones. In light of the pandemic, we know the demand for assistance will be high this year. It's been a hard year for so many families.

Your help is needed! Please consider one of the following options and contact **Katie Reaves**, CHR's Director of Development at [kreaves@chrhealth.org](mailto:kreaves@chrhealth.org) to learn more:

- Adopt a child: you can adopt one child, of any age.
- Adopt a family: you can choose a family of any size, from one parent and one child or more.
- Let us do the shopping: You can make a donation and CHR's Development Team will take care of all of the shopping for you! **Donations of all sizes are welcome and can be made at [www.chrhealth.org](http://www.chrhealth.org).**
- You can also send CHR gift cards of any amount.

If you are adopting a child or family, CHR will send you an online wish-list through Amazon and a local toy store.

Please let us know by **October 16th** if you are interested. Everything needs to start earlier this year to allow for extra time to make the process as safe and "low touch" as possible for everyone.

*Thanks for your consideration!*

## Questions?
