

"Hiring dedicated diversified talent through CHR has been a win - win for both job seeking consumer and our business. Simos Insourcing Solutions believes there is value in each and everyone one of us and being able to provide employment opportunities to learn and grow that value just makes good business sense.

- Simos Insourcing Solutions, Recruiter Julie Porter

"When I first started working with supported employment, I was in a bad place. After working with the Employment Specialist for almost 2 years, I was able to secure my dream job, working full time at Cabela's. I am so grateful for all CHR has done."

- CHR client, W.P.

"It's the best experience I have ever had. My employment specialist has gone above and beyond to help me get my life back on track. My motivation has increased and supported Employment has given me the hope that I will be successful throughout my vocational journey."

- CHR client, A.J.

"The Supported Employment program is a wonderful asset to recoverees to obtain a second chance in recovery with the help of mentors and specialists so that they can gain control of their lives."

- CHR client, C.S.

Employment Services

GETTING THE RIGHT PERSON FOR THE
JOB JUST GOT EASIER!

REAL LIFE. REAL HOPE.™

Finding the right employee can be a challenging process without a network of support. **CHR's Employment Services is a FREE service** that pairs businesses with a pool of job seekers looking for temporary, permanent and meaningful employment.

Our Employment Service Specialists provide ongoing assistance to both the prospective employees and employers by helping those returning to the workforce obtain employment, perform well and retain their job. Specialists help companies by acting as a liaison and will pre-screen job seekers who match the needs of their business.

CHR's Employment Services has proven to be successful in helping employers find and keep motivated employees. Our goal is to provide competitive full or part-time employment that benefits everyone in the community.

Recent industry placements include: food services, manufacturing, retail and maintenance.

Employer Benefits Include:

- Tax incentives
- Access to an established network of potential hires
